

Boston FSDO presents:

Boston FSDO Flight Instructor Meeting

The Boston FSDO has once again started up quarterly meetings & discussions on the issues facing pilots and instructors, not only nationally, but also in the local area. Instead of a presentation, it will be an interactive discussion of issues, focusing on the safety of instruction. This event will focus on what do WE really know as instructors and what should we expect of students.

Instruction for the development of "Real World" pilots will be a significant focus. What are our individual instructor professionalism/expectations, instructional strengths/weaknesses and student expectations will be explored. We are looking to have active instructors, of all experience levels join us, join in the discussion and learn some best practices. This is also a great opportunity to meet today's & tomorrow's aviation professionals from the Bridgewater State University flight instructional staff. Click on the link below and register TODAY.

Directions: From Rte 140 to Exit 4/Airport Road Turn Right and merge onto Mt. Pleasant Street. Mt. Pleasant Street becomes New Plainville Road. Turn Left onto Shawmut Ave. (slow - children and local traffic in the neighborhood). BSU Training Center is at the end of Shawmut Ave. on the Left.
